THOMAS T. TUCKER,

Treasurer of the United States.

TREASURY DEPARTMENT,

No. 40,553.

Auditor's Office, 2d May, 1820.

I have examined and adjusted an account between the United States and Thomas Tudor Tucker, Treasurer of said states, for receipts and expenditures on account of the War Department, commencing on the 1st October, and ending on the 31st December, 1819, and find that he stands chargeable on said account, viz:

To amount of warrants drawn in his favor by the Secretary of War, on sundry persons, for balances of moneys remaining in their hands, which had been previously advanced them for certain purposes, per statement	28,472 44
<i>Dollars,</i>	2,120,483 37

I also find that he is entitled to credit on said account, viz:

By amount of his expenditures on account of the Department of War, from the 1st October, to the 31st December, 1819, out of the moneys placed in his hands for the use of said Department, pursuant to warrants drawn on him by the Secretary of War, and receipted for payment, per statement	1,120,073 82
Leaving a balance due from him to the United States on the 1st day of January, 1820, consisting of cash on hand	1,000,409 55
<i>Dollars</i>	2,120,483 37

For which sum of one million four hundred and nine dollars and fifty-five cents, the said Thomas Tudor Tucker is to be debited in a future settlement of his account, for receipts and expenditures on account of the Department of War.

As will appear from the statement and vouchers herewith transmitted for the decision of the Comptroller of the Treasury thereon.

I have examined and adjusted an account between the United States and Thomas Tudor Tucker, Treasurer of said States, for receipts and expenditures on account of the Department of War, commencing the first of April and ending the 30th of June, 1820, and find that he stands chargeable on said account, viz:

To amount of warrants drawn in his favor by the Secretary of War on sundry persons for balances of moneys remaining in their hands, which had been previously advanced them for certain purposes, per statement	19,078 77
<i>Dolls.</i>	3,882,607 50

I also find that he is entitled to credit on said account, viz:

By amount of his expenditures on account of the Department of War, from the 1st of April to the 30th of June, 1820, out of the moneys placed in his hands for the use of said Department, pursuant to warrants drawn on him by the Secretary of War, and receipted for payment, per statement	3,295,732 05
Leaving a balance due from him to the United States on the first of July, 1820, consisting of cash on hand	586,875 45
<i>Dolls.</i>	3,882,607 50

For which sum of five hundred and eighty-six thousand eight hundred and seventy-five dollars and forty-five cents, the said Thomas Tudor Tucker is to be debited in a future settlement of his account for receipts and expenditures on account of the Department of War.

As will appear from the statement and vouchers herewith transmitted for the decision of the Comptroller of the Treasury thereon.

Auditor's Office, 3d February, 1821.

I have examined and adjusted an account between the United States and Thomas Tudor Tucker, Treasurer of said states, for receipts and expenditures on account of the War Department, commencing on the 1st of July, and ending on the 30th September, 1820, and find that he stands chargeable on said account, viz:

To balance due from him on settlement of his account to the 30th June, 1820, per report No. 41,462	586,875 45
To amount of warrants drawn in his favor by the Secretary of the Treasury, upon the moneys appropriated for the use of the Department of War, and charged to him in the aforesaid period, per statement	2,313,248 00
To amount of warrants drawn in his favor by the Secretary of War, on sundry persons, for balances of moneys remaining in their hands, which had been previously advanced them for certain purposes, per statement	26,114 78

Dollars, 2,926,238 23

I also find that he is entitled to credit on said account, viz:

By amount of his expenditures on account of the Department of War, from the 1st July, to the 30th September, 1820, out of the moneys placed in his hands for the use of said Department, pursuant to warrants drawn on him by the Secretary of War, and receipted for payment, per statement	1,701,951 42
Leaving a balance due to the United States on the 1st October, 1820, consisting of cash on hand	1,224,286 81

Dollars, 2,926,238 23

For which sum of one million two hundred and twenty-four thousand two hundred and eighty-six dollars and eighty-one cents, the said Thomas Tudor Tucker is to be debited in a future settlement of his accounts of receipts and expenditures on account of the War Department.

As will appear from the statement and vouchers herewith transmitted for the decision of the Comptroller of the Treasury thereon.

I have examined and adjusted an account between the United States and Thomas Tudor Tucker, Treasurer of said States, for receipts and expenditures on account of the Navy Department, commencing 1st July, and ending the 30th September, 1820, and find that he stands chargeable on said account, viz:

To amount of warrants drawn in his favor by the Secretary of the Treasury, on moneys appropriated for the use of said department, during the aforesaid period, per statement,	- - -	873,507
To amount of warrant No. 12, drawn in his favor by the Secretary of the Navy on Nathaniel Ingraham and son, for a balance of moneys remaining in their hands, which had been previously advanced them for certain purposes, per statement,	-	513 81
	<i>Dolls.</i>	898,441 25

I also find that he is entitled to credit on said account, viz:

By amount of his expenditures, during the aforesaid period, out of the moneys placed in his hands for the use of said department, in pursuance of warrants drawn on him by the Secretary of the Navy and receipted for payment, per statement,	-	724,689 87
Leaving a balance due from him to the United States on the 1st day of October, 1820, consisting of cash on hand	- - - -	173,751 38
	<i>Dolls.</i>	898,441 25

For which sum of one hundred and seventy-three thousand seven hundred and fifty-one dollars and thirty-eight cents, the said Thomas T. Tucker is to be debited in a future settlement of his account of receipts and expenditures on account of the Navy Department.
